G X		I kind reference is invited to this office letter No. L 4211/LB 15-35-6 dated 5-12-35 stating that there is no suitable appointment elsewhere carrying the ~~draw~~ pay of Rs 35-3-65 for absorbing H. L. Venkatanarayanappa, typist of the Hassan Dt Board office and that he should be continued under the Dt Board alone as typist in his old grade Rs 35-3-65.
		2—The President, Dt Board, Hassan now states that the official has no general qualifications and does not even possess the qualifications prescribed in the C.P.S. rules for a typist. For the above reason & the reason that it has not been possible for absorbing him elsewhere, the President proposes to absorb him in grade Rs 40-2-50 on his present pay of Rs 50 p.m.

3 It is also seen from his D.O letter dated 10-2-36 that as a sort of punishment, the increments due to the official in his old grade Rs 35-3-65 have been disallowed and that his pay has been fixed at Rs 50.

4 Kind reference is invited to para 13 of the notes in file HB 15-35-6 wherein it was ordered that the typist should not be made to suffer in his emoluments and that he may be absorbed in a vacancy ~~missing~~ the pay of which rises to Rs 65.

5 The circumstances of the case seem to be peculiar. The Assistant DA Board, Hassan entertained the idea of absorbing the official at Rs 50 in the grade Rs 40-2-50, and mistakes in the work of the officials have been reported and the reduced grade has come to the lot of the officials as a way of punishment. The President solicits sanction of Govt to his proposals.

Serial No.

is against the order/Govt communicated in this Office letter no L 4211 Dy 5-12-35 passed after full consideration, viz, that he should be continued in the District Bd on his old pay of Rs 35-3-65. The grounds for reducing the Official's pay mentioned by the President are (1) that the said order defeats the purpose of the revision of the lyppers' pay, viz retrenchment, (2) that the Official does not possess the qualification prescribed & (3) that ~~the~~ it is proposed to punish the Official for negligence in his work

8. So long as no place on Rs 35-3-65 is found to absorb the Official elsewhere, extra expenditure to the D/Bd is inevitable which cannot be helped. Want of the requisite qualifications cannot perhaps also be raised at this stage when the Official has been in the said grade for a number of years earning increments. As regards the Official's negligence, reference is invited to the President's order Rs 5-10-35. The charges against the Official mentioned in it do not seem to be such as to justify his reduction to a lower grade. It is not also stated whether the Official's explanation was taken

OFFICE OF THE DEPUTY COMMISSIONER. 1. FEB. 1936 HASSAN DISTRICT.

Sir,

With reference to your letter No.L.4211/L.B.15-35-6 dated 30th November 1935/ 5th December 1935, regarding the continuance of Mr.H.L. Venkatanaranappa, Typist of this office in his present grade of Rs 35-3-65 under Article 87 M.S.R., I have the honour to state that the proposal to reduce the pay of the Typist of this office was taken up firstly, as a measure of retrenchment, as resolved by the District Board and secondly, to revise the scale of this post to correspond to the scale obtaining in the Revenue Department to enable free interchange of officials between the two Departments.

2. The Government, however, in their order No. L.319-21/L.B. 106-33-12, dated 14th July 1934 stated that the benefit of the present grade may be continued in the case of the present typist, pending his absorption elsewhere, the pay of the post being fixed at Rs 25-1-30-1-40. Now that it is stated that he may be continued as heretofore in his present grade on Rs 35-3-65, the question of his absorption automatically drops itself.

V.

3. The Deputy Commissioner, Hassan who was addressed in connection with his absorption, has stated that there is no appointment of a similar grade in the Revenue Department. The chances of his absorption under other District Boards seem to be equally remote Under these circumstances, even the order of Government dated 23rd October 1935 in regard to the periodical transfers of officials under the District Boards becomes inoperative in his case for want of similar grades elsewhere under the Revenue Department.

Further, the Government order dated 3rd July 1934 fixes the qualification of a Typist as hereunder.

A pass in the S.S.L.C. and Typewriting Examinations Senior or other equivalent examination.

But it is seen ~~that~~ in the case of the present incumbent that he has passed only the Typewriting Examination (Elementary grade) and has not passed even the Lower Secondary Examination. He has put in a total service of over 18 years, out of which his service under this District Board counts for 14 years.

In this view and for the reason that it has not been found possible so far to provide him elsewhere in his present grade, I propose taking steps for absorbing him on his present pay of Rs 50/- in the grade of Rs-40-2-50 even in the best interest of this official, as the Board are constantly urging for the reduced scale of the Typist on Rs 25-1-30-1-40 being brought into effect, as already sanctioned in Government order No.L.319-21/L.B.106-33-12, dated 19th July 1934.

Office of the President, District Board, Hassan, Dated 10th Feb. 36. 4

Dear Sir,

Referring to our personal conversation regarding my proposals for filling up the vacancy of Rs. 40-2-50 on my office, I beg to state as follows:-

The question of retrenching the present pay of the Typist of my office and of the absorption of the present incumbent is being pressed by the District Board for some years past. His absorption which was sanctioned in July 34 has not yet been given effect to and he is continued in his present grade of Rs. 35-3-65 for the reason that it has not been found possible to provide funds elsewhere in the same grade. The enclosed extract from my order dated 5-10-35 regarding his negligence speaks for itself and I have for this negligence ordered the recovery of the value of the missing articles entrusted to his charge to the extent of Rs. 100/- and fixed his pay at Rs. 50/- as a deterent measure. I do not find him eligible for further promotion by reason of his not possessing the requisite qualifications. He has been in this office for over 14 years and his further continuance will not be in the interest of work of this office.

The Board are also urging time and again for giving into effect the reduced scale of pay sanctioned for the post of the Typist of this office, i,e, Rs. 20-1-30-1-40. I/have therefore proposed him to be fixed on Rs. 50/- in the grade of 40-2-50 as a punishment and give effect to his absorption and thereby release the place of Rs. 20-1-30-1-40 sanctioned for the post of Typist for providing S. Chandrasekharaiya, I Accountant whose reduction from 40-2-50 to the above grade has been reported already in this office No. A1-PR 14-34 dated 1st Feb. 36.

Under these circumstances, I request that my recommendation may be forwarded to Government for their sanction early.

Yours sincerely,

Extract from the orders passed from the President, District Board, Hassan in regard to missing articles in the DistrictBoard Office.

The concerned clerk had not kept a correct account of the stock for the past number of years and it was with the great difficulty and pressure that a list of all the articles purchased and kept was bought to date. Once, when I went to ckeck the articles it was found in the set vessels containing a number of smaller ones, only the outer covering was found and the clerk could not explain to me how it happened. But subsequently they were found there and in this connection the attitude of the concerned clerk was not satisfactory and above board. Again in connection with the lanterns, there are only old and rotten ones, unfit for use and there is nothing to show that they were ever issued. It is clear that they must have been displaced. By the way in which the stock list is maintained it appears that no pains were taken by the clerk to look after the valuable things of the Board and this is not what is expected of a clerk kept in trust of public property. He deserved more punishment but as a sort of lenient punishment I order that the cost of the articles missing be recovered from the clerk Venkatanaranappa in ten monthly instalments. The question of lanterns will be settled as soon as the prices and the No. of lanterns are put up in the office. This the office will put up early. The increment held over till now are disallowed and his pay will be fixed at Rs. 50/- only, pending absorption as he is not fully qualified.

To

of H.H. the Maharaja of Mysore, Bangalore.

SIR,

In forwarding herewith in original, letter No. A, 1-P.R.14-34, dated 1st Feb. 1936, addressed to you and also D.C.No.A,1-P.R.14-34, dated 10th Feb. 1936, with its enclosure, addressed to me, by the President, District Board, Hassan, re: the fixing up of S. Chendrasekhariah, first accountant of Rs.40-2-50 in the grade of Rs.25-1-30-1-40 and the absorption of H.L. Venkatanaranappa, typist of his Office in the post so released, I have the honour to state as follows:-

The president states that the scale of pay of the typist of his office which is at present, Rs.35-3-65, has been ordered to be reduced to Rs.25-1-30-1-40, in G.O.No.L.319-21-L.B. -106-33-12, dated 19.7.34, and that it has not been given effect to, as H.L. Venkatanaranappa has not been provided elsewhere, that as this official did not account for certain articles of furniture, he has has been ordered to make good a sum of Rs.100/- and that, as a measure of punishment, he has fixed his pay at Rs.50/- in grade Rs.40-2-50.

He also states that S. Chendrasekhariah, first accountant had tampered with the tenders called for in connection with the supply of provisions to the Hassan Agricultural School, which is under the management of the District Board and that as a measure of punishment, he has ordered his reduction to the next lower grade of Rs.25-1-30-1-40.

It may thus be seen that the President has punished the two officials for certain irregularities committed by them and as a consequence of the same, he has proposed their being fixed up in grades which have already been sanctioned by Government,

but which have not been given effect to so far, for want of vacancies. If Venkatanaranappa is provided as accountant on ~~Rsx40x2x50x~~ Rs.50/- in grade Rs.40-2-50, the Government Order reducing the scale to Rs.25-1-30-1-40 could be given effect to, and S.Chendrasekhariah fixed up in this grade.

I am agreeable to the proposal made by the President. I request you to be so good as to move the Government to kindly approve the proposal at a very early date.

This releases a vacancy of Rs 40-2-50 in my office and I propose filling up the same by absorbing Mr. H. L. Venkate-

3. I request that necessary sanction of Government may be kindly obtained for absorbing this special on Rs 50/-, as proposed above — without subjecting the vacancy referred to above to the rules of recruitment for reasons set forth in my letter No A, P.R. 14-34 dated 31st January 36.
